Quinter, KS

GG&T's 2022 National Grand Champion Purebred & Optimizer Pens
Our 2023 Pen Champions Sell Feb. 23, 2023

190 HEAD SELL!
Purebred Salers, Registered Angus,
and Angus-Salers Optimizers

Welcome

Dear Cattlemen,

After Years of Drought, High Inputs, and Slim Feed Purchasing Options. We have Found out that we have some of the Best Customers a Seedstock Operation could ask for!!! Many of you jumped at the chance to help us locate feed, let us purchase feed, answer our questions with programs to ship feed and much more!!! We Thank You all in advance of this upcoming sale, none of this would happen without You!!!

These Momma Cows never cease to Amaze us!!! Never have they been Feed Efficiency Tested like this, they've come home for the Winter in Great Shape, Maintained on a Modified Diet, and are Calving Back Faster than Ever!!!! Fertility and Easy Fleshing Ability in these times means everything to our program! The Bulls have been put on a Lower Ration of Protein and are Gaining at Similar Lbs per Day as Previous Years, this Type of Performance is their Genetics!!! Many things are learned in these Conditions and we are Glad to see these Cattle Thrive in Efficiency!

Just like we've had in the previous years, we will have a Video Auction on the Ranch! The cattle will still be penned up as usual for viewing ahead of the sale! Feel free to contact us on any questions about the video auction. All bull's and heifer's videos will be available online at www.ggtcattle.com and DVAuction.com. The sale will again be on DVAuction for any customer that can't make it sale day. With this being said, we would love to have you at the GG&T Ranch on Sale Day!

Thank you,
GG&T Cattle Company

Sired by some of the Angus breed's best proven bull's and **new and exciting** upcoming bloodlines! As with all GG&T bulls, these guys have moderate BW to maximum performance! These bulls are feedlot oriented, with many bulls in the top 10% \$B and **versatile** enough to have daughters that are beautiful and uniform females with the same Elite Genetics! Angus Bulls with Angus GS enhanced EPDs!!

KCF Bennet Exponential

Sire: Casino Bomber N33 • Dam: K C F Miss Southside B226

- Exponential is the Top Selling Bull from the 2020 Knoll Crest Spring Bull Sale. There, he was pursued by many respected breeders and genetic suppliers for his combination of outcross genes, with an elite look and genetic profile.
- He ratioed 114 for WW, 122 for YW, 101 for IMF and 117 for RE. He reaches the Top 1% of the population for several traits including a \$Combined that is off the charts.
- We expect Exponential to add a notch of frame and length, along with loads of body and thickness. His results will be superior performance with Angus quality for all production segments.

Deer Valley Growth Fund

Sire: Basin Payweight 1682 • Dam: Deer Valley Rita 36113

His impeccable EPD profile provides modest Calving Ease with off the charts growth and end product values. He ranks among the Angus breed's most elite 1 percent for WW, YW, CW, \$W, \$F and \$B. It's rare to find a bull that captures one's eye on paper and in the pasture. GROWTH FUND is a structurally sound, moderate-framed bull with a powerful hip and rear leg. He exhibits extra neck extension, a smooth shoulder and is wide topped and wide-based with muscle expression and depth of body.
